

Please fill out information on reverse!

Radio Forest is a radio station located in a forest in Neerpelt, Belgium. The content on Radio Forest will be made up of music and sound donated from the people of Neerpelt, including; LP's from personal collections, stories, lore, and sound produced during workshops at Musica and in conjunction with the Radio Forest project.

### \*Loan or Donate!!

We ask that you donate one or more records (LP's) from your collection. These LP's will become part of the Radio Forest library and used to make new soundscapes to broadcast on Radio Forest.

\*If you loan your LP's to Radio Forest, they will be available October 15, 2005.
